- ☐ Tumbling
- ☐ Volley Ball
- ☐ Wrestling
- ☐ Y's Men's Club

Round-up Instructions and Pointers

1. Every man in the organization out for the opening meeting Monday night, Oct. 14, 6:15 p. m. You can get away before eight o'clock.
2. Be at the report meetings, Tuesday night, Wednesday night, and Thursday night, Oct. 15-16-17, for just sixty minutes, 6:15-7:15. Every vacant place at these meetings weakens the organization just that much. These meetings are for more than just reporting members—they are also to develop fellowship and new friends.
3. The goal is 600 members in the Senior Division—that will be easy if every man does his bit.
4. Receipt for all moneys paid you, advise member to use receipt until he receives his card, which should be in his hands within forty-eight hours after his application is in the office.
5. Urge members secured to enter a gym class at once. Report

(Continued on last column)

TO THE WORKERS

THIS is your Instruction and Information sheet. **READ IT CAREFULLY.** Each paragraph is placed herein for information purposes. On the reverse side is a brief summary of the varied activities of the Waterloo "Y" for the year ending Sept. 30.

FAMILIARIZE YOURSELF WITH IT. The big days are October 14-15-16-17. If you like chicken, Come On!

L. C. RANSOM, Chairman

Gym Classes and Schedule

Gym classes will continue on schedule throughout Anniversary Week. Urge the member secured to start in at once. Bring him over and make him acquainted with Mr. Kirkner, who will assign him to the class, either most convenient or best suited to his needs.

Boys secured as members should be urged to report to the Boys' Division immediately for their Gym Class Assignment, and an interview with Mr. Remy as to other worth-while activities in the Boys' Division.

Physical Examination. Every member is urged to secure a physical examination, both for his own good, and for the protection of the Association. Get the card from the Physical Director. Your family physician will be glad to give you a thorough going over. The worthwhileness of this not only applies to men, but also to boys. Many a boy has been helped into strong physical manhood through the correction of physical ailments of which even his parents had no knowledge, but which were revealed in the physical examination. While the examination for gym work is strongly advised, it is compulsory for admittance to the swimming pool.

That Chicken Dinner Points

Following the custom of the last five years, the winning division will be tendered a Fried Chicken Dinner at the "Y" Camp. The date is fixed for 6:30 p. m., Oct. ... The rules are simple—*Men and money count*—money counts simply as an aid toward collections and thus a saving of Mr. Albright's time in the future on collections.

Points count as follows:

1. Twenty-five (25) points for any member secured whose name is not on the prospect list.
2. Ten (10) points for new member, plus two (2) points for each dollar paid if paid in full, one (1) point for each dollar if partially paid.
3. Five (5) points for collection of old member's dues, plus two (2) points for each dollar if paid in full, and one (1) point for each dollar if partial payment.

No membership counted unless accompanied by one-third of dues.

Plans are under way to make this the best chicken dinner on record. It is worth a hard fight. Territories have been divided as evenly as possible.

The Boy of Lesser Opportunities

We have on file in our Boys' Division, names of about 150 boys who could not, if their lives depended on it, produce the \$4.00, \$5.00, or \$6.00 necessary to pay for their membership in the "Y." These boys are recommended by school principals, teachers, social workers, ministers, and Sunday School workers. They will, of course, be granted memberships. Someone needs to supply the money. We have faith that they will.

If you cannot get a man to take a membership on his own account, lay before him the claim of the boy who hasn't got a chance. This will touch most any man's heart. It is, however, necessary to use discretion, and to use this plea only as a last resort, else it is highly possible to secure more money than we can match with boys, through our lack of room to accommodate more than a certain number.

Oftimes a man knows of a boy, and it is a fine thing to encourage that individual to get the boy and bring him down to the "Y" himself.

MEMBERSHIP RATES

SENIOR DIVISION

1. **Business Men**\$25.00
Includes locker and towel service.
2. **Young Men—18-21** 10.00
3. **Seniors—past 21** 12.00
4. **Non-Resident** 5.00
Open only to those whose residence and business are outside the corporate limits of Waterloo.
5. **Student** 6.00
Open to Teachers' College students.
Locker and towel service extra in 2-3-4-5.
6. **Social** 5.00
Grants only lobby and social privileges.

BOYS' DIVISION

All boys' memberships expire November 1st and below is the rate from this date until November 1st, 1930.

By joining now, boys get nearly two extra weeks.

The rates follow:

- Boys 10-12 years of age.....\$5.00
- 12-16 years of age..... 6.00
- 16-18 years of age..... 7.00

These fees include free towels and locker basket service.

Boys' fees are discounted \$1.00 if paid in full by December 15th.

Special Prizes

will be offered each night for various items in the Campaign. The high team Tuesday night will eat a *Special Feed* Wednesday nights—special awards to high man and high Captain each night. *Be Present.*

ROUND-UP INSTRUCTIONS AND POINTERS

(Continued from first column)

dinners are held in dining room in order that Gym Classes may run through the week without interruption.

6. Listen to criticisms, answer them courteously. Then inform the secretary that they can be fairly met and remedied if true, and clarified if false.

7. The District Plan is being followed. See every man in your district. White cards are furnished you. They in no sense represent all the prospects in your territory. A bonus of 25 points is given for every new member secured whose name is not listed on the prospect list.

8. Have applicant note on the reverse side of card the things in which he is chiefly interested.

9. No new memberships can be counted unless accompanied by at least one-third of the annual dues. Balance due in thirty and sixty days.

10. Make sure that name and address of each applicant is written in readable manner.

GET NEW ONES — KEEP THE OLD ONES

KING LEADERS FOR TOMORROW

A Story of Facts and Figures Covering the Program of the Waterloo "Y" from October 1, 1928, to September 30, 1929

The work of the Y. M. C. A. in this vicinity is conducted through three branch units, each while governed by separate Committees of Management, are connected in one general Board of Directors. These branches are known as the Railroad Branch, the Central Branch, and the Town and Country Branch. Excepting those references to Hi-Y clubs and camp, the following report covers only the work of the Central Branch.

The program of the Y. M. C. A. this past year touched at least seven distinct groups, namely, (1) Employed boys and young men, (2) Grade school boys, (3) underprivileged boys, (4) High school boys, (5) Older young men, (6) Business and professional men, and (7) Community groups, including industries, churches, and other community units.

Over five hundred boys were active Hi-Y members during the year in clubs in the following High Schools: East Waterloo, Dunkerton, La Porte, Cedar Falls, West Waterloo, Hudson, Orange Township, New Hartford, Teachers High, Shell Rock, Finchford, and Janesville.

One hundred High School fellows attended the Waterloo area Hi-Y Conference called at New Hartford. Fifty Hi-Y fellows attended the State Older Boys' Conference last December.

Seven hundred twenty-seven campers passed through the "Y" Camp on Morris Isle this past season, representing thirty communities. Periods were used not only by the local Y. M. C. A., but by the Y. W. C. A., Town and Country Branch, Charles City Y. M. C. A., Colored Boys Club, Farm Bureau mothers, and the Northeast Iowa Hi-Y Camp.

Through the generosity of friends, a matrons' cabin and a drainage system for the kitchen were exceedingly valuable improvements added to the equipment.

The past season saw the first Northeastern Iowa Volleyball Tournament, conducted under the auspices of the Physical Committee. This will be an annual event.

The Association building draws young men coming to locate in Waterloo from outside points. Over one hundred and fifty young men were located in comfortable, respectable rooms in private homes.

The "Newsies Club," under the patronage of the Kiwanis Club, held weekly meetings with an average attendance of nearly thirty. This club has attracted more than local attention.

For the sixth year, the Y. M. C. A. conducted a camp for the Calf Club boys at the Dairy Cattle Congress. It was bigger and better.

Under the supervision of the Y's Men, the "Knot-Hole Club" had its best year. Ask most any boy, and he'll tell you that this club just has to be every summer.

The Y's Men presented Walter W. Head, past president of the American Bank Association, in probably the most outstanding meeting of business men held in Waterloo during the year.

The Annual Free Swimming School enrolled two hundred eighty-seven boys. A well directed, carefully worked out

swimming program was carried on throughout the year.

A special Christmas Vacation Program was held for all members of the Boys' Division.

Many visitors to the Cattle Congress were accommodated in private homes through the Room Directory maintained by the Y. M. C. A.

Through co-operation with the Extension Department at Ames, the Y. M. C. A. has been instrumental in organizing a Foremanship Class which met weekly throughout the fall and winter.

The Y. M. C. A. has been an influence for new ideals in the lives of literally hundreds of boys and young men who have been brought into contact with it.

The meeting place for Illinois Central Railroad men is found in the rooms of the Railroad Branch over the Master Mechanic's office at the I. C. Shops. Here is found a lunch counter where well-cooked food is served at low prices, fine showers, newspapers, magazines, games and a fine atmosphere of fellowship.

The Colored Boys "Y" Club, the pioneer organization for

Colored boys in Waterloo—swings into its tenth season this fall. Seventeen Colored boys spent a week at the "Y" camp.

Over six hundred and fifty boys were engaged in Bible Study once a week for at least ten weeks.

The Sunday School Basketball Leagues this past year provided an outlet for fine, healthy competition with part of the boys of the Sunday School. Three Sunday School Leagues were conducted, composed of over thirty teams and involving over two hundred and seventy-five boys.

The underprivileged boy had a real chance, nearly two hundred of them having access to the membership privileges, and one hundred having the privilege of ten days at the "Y" camp on Morris Isle.

The work of the "Y" camp will be perpetuated throughout the year, through the organization of the Order of the Cedar Club.

The size of the camp project is indicated in one sense by the fact that 17,622 meals were required to meet the wants of the campers.

Throughout the year, consistent effort is made to secure jobs for men and boys, nearly five hundred being directed to remunerative employment.

The City Industrial Basketball League was perhaps the best yet with eight teams and all playing a high type of basketball.

The Association provided dressing room facilities for the American Legion Hockey Team.

240 boys' class periods had an attendance of 4,087.

456 class periods for men and young men totaled an attendance of 5,436.

56 senior class periods were attended by 568 men.

80 industrial basketball periods totaled an attendance of 940 basketball players.

1,410 players enjoyed 73 Twilight Baseball league games.

102 special boys groups using the physical privileges totaled 1,429.

210 periods of swimming instruction were given to boys with an attendance of 3,747.

30 periods of instruction were given to Senior Leaders with a total attendance of 192.

30 periods of instruction were given to junior leaders with a total attendance of 168.

293 attended the 23 sessions of the boys' wrestling class.

The physical department in all its activities touched approximately 30,112 men and boys during the year.

The Y. M. C. A. Tennis Club had a total of 44 members this past year and staged the Black Hawk County Tennis Tournament.

The national program for Standard Leaders' Clubs was adopted for the first time by the Waterloo Y. M. C. A. this year. Waterloo has the only Standard Leaders' Club in the state.

The men of the Illinois Central Railroad Shops were served throughout the winter with 19 shop meetings totaling 1,053 men.

Entertainment was provided for 1,230 people by the use of our moving picture machine.

125 young people made merry at the Annual Hallowe'en Party.

Community work was started with the colored people and meetings were held every Friday night covering a period of three months. Real entertainment was provided by means of our movie machine.

32 young industrial men were served throughout the basketball season by our special basketball memberships.

29 Father and Son Banquets, with attendance of 4,452, were held under the auspices of the City Father and Son Commission.

450 personal interviews were held with boys on intimate personal life problems.

150 attended the Annual "Y" Mother and Son Banquet
